## SAMUDRA News Alerts

*SAMUDRA News Alerts* is a free service designed to deliver news reports and analysis on fisheries, aquaculture and related issues, on a daily or weekly digest basis, in plain-text or HTML format.

The service often features exclusive, original stories on small-scale and artisanal fisheries, particularly in the regions of the South, as well as issues that deal with women in fisheries and safety at sea. Apart from news and stories on fisheries, the service also focuses on environmental and oceans issues.

Please visit <http://www.icsf.net> to subscribe to *SAMUDRA News Alerts*. The ICSF website has archives of all past news items as well as all issues of *SAMUDRA Report* and several other documents and resources that might interest you. We would also be happy to get feedback and suggestions on the news service and the website. You can reach us at [icsf@icsf.net](mailto:icsf@icsf.net).
