

ICSF's Posters on World Fisheries Day (November 21, 2021)

Sustainable inland small-scale fishing in Amazonas, Brazil promotes food security, environmental conservation, income generation and strengthens community organization

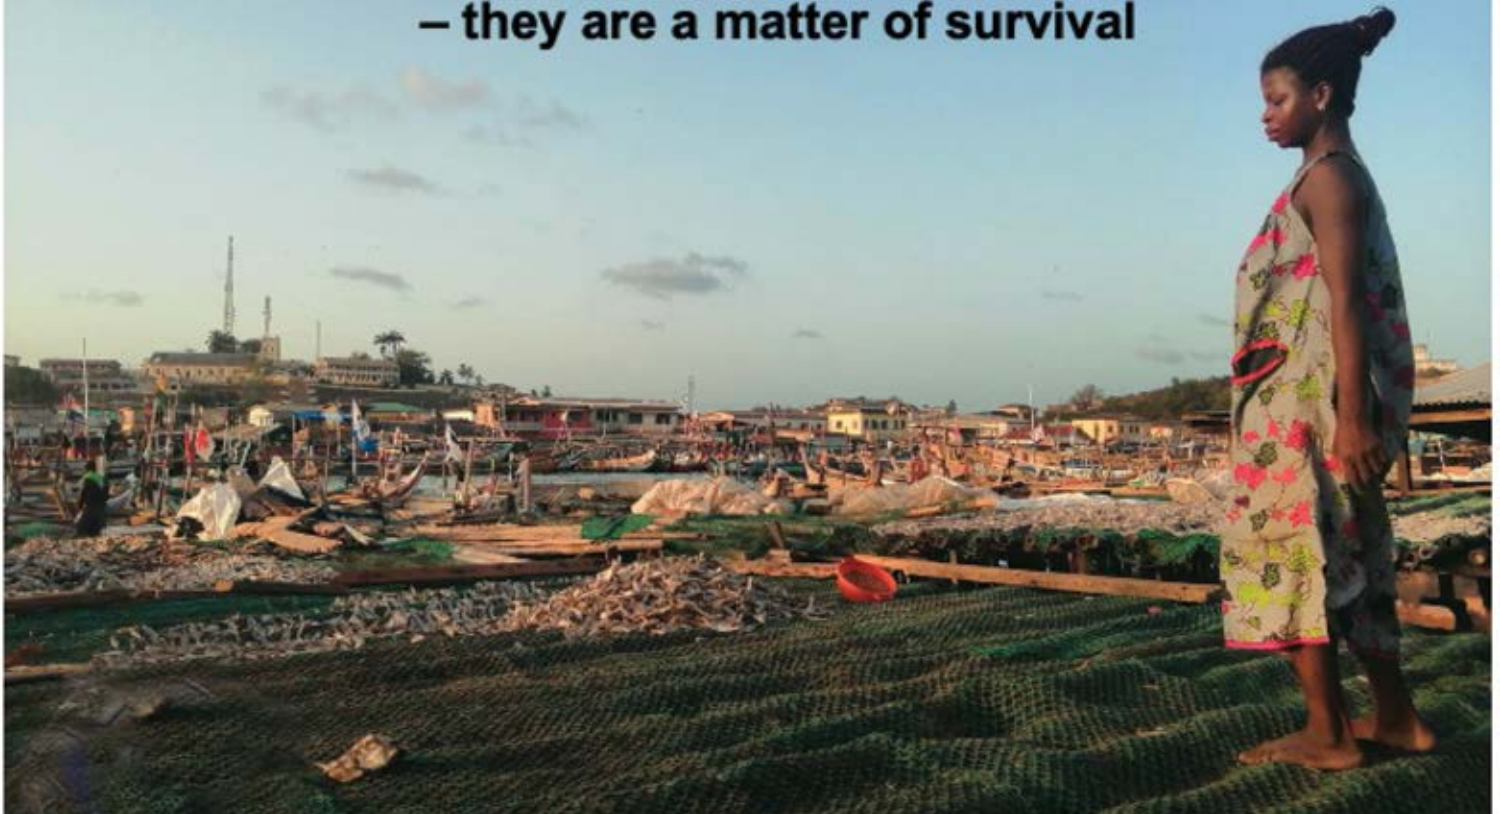

ICSF's Posters on World Fisheries Day (November 21, 2021)

WORLD FISHERIES DAY 2021

**Small-scale fisheries in Ghana are more than livelihoods
– they are a matter of survival**

ICSF's Posters on World Fisheries Day (November 21, 2021)

*Artisanal fishery
brings fresh fish from nearby
that feeds you and me
but needs a policy
that is tailor-made year by.*

Job, Sjaak and Miranda Bout
inshore fishers, The Netherlands
