4. STATE: KARNATAKA

Schemes implemented by the Department during 2021-22

SI No	Name of the Scheme	Description	SSF Guidelines	No. of Beneficiaries/ Area	Outlay for 2022-2023 Rs. In lakhs
1	Director of Fisheries	Under this scheme, provision has been made for construction and maintenance, modernisation and repair of department office buildings, purchasing the requisites and other materials for maintenance of aquarium and other works. Further under this scheme from 2019-20, allocation is made towards the operational cost for production of fish seed in fish seed production farms, rearing of fish seed in farms and at taluk level nurseries, procurement and transportation of fish seed, the purchase of seed transport vehicles, maintenance of vehicles and staff salary. Allocation is made towards maintenance, cleaning, electricity, drinking water supply and repairs of fishing harbours. For the extension activities of the Department like publicity, workshops, documentary film, Matsya Mela, evaluation studies of schemes, training, organizing fish farmers day, etc provision has been made under this scheme.			2936.63
2	Matsya Krishi Asha Kirana	To increase the fish production and to boost fish culture in the state waterbodies will be stocked with 4000 advanced fingerlings/ ha and 2 tons of fish feed/ha will be provided free through the fishermen cooperative societies. 50% of the unit cost will be provided as subsidy with a maximum of Rs. 27000/ha.		0	0.00
3	Encouragement for inland fish culture	2000 fish fingerlings will be stocked per hectare effective water spread area of the water resources of the state through Fishermen Co-operative Societies free of cost.		140	420
4	Assistance for purchase of fish seed	Inland fish farmers invest lot of money to purchase good quality seed. In order to assist them 50% subsidy subject to a maximum of Rs.5000/- to individual person and Rs.20000/- to Fishermen Co-operative Societies will be provided under this scheme. The seed has to be		1000	50.00

SI No	Name of the Scheme	Description	SSF Guidelines	No. of Beneficiaries/ Area	Outlay for 2022-2023 Rs. In lakhs
		purchased from Government farms or Government approved farms.			
5	Shrimp and brackish water fin fish culture	50% subsidy will be given for a unit cost of Rs.1 lakh per hectare for encouraging prawn and fish farming in inland and backwater resources available in the State.		500	250.00
6	Cluster based development of Fisheries	The objective of this scheme is to take up fisheries development in an integrated and organized way in a cluster based manner in 14 selected taluks. Under this programme subsidy will be provided to culturists for construction of ponds and other infrastructure facilities. Priority will be given to take up fish culture in unsuitable alkaline and saline areas in the cluster areas		0	0.00
7	Scheme for rearing fish fingerlings in the ponds constructed on the periphery of tanks/reservoirs	Ponds are constructed in the periphery of the tanks/ reservoirs and spawn are reared to fingerlings of 80-100mm. These fingerlings are later released to the tanks/ reservoirs where these fish fingerlings were reared. This would reduce the cost towards purchase of fish fingerlings and transportation mortality. This in turn will increase the production and profit generated. Under this scheme, 100% of the cost towards construction of the pond with a maximum of Rs. 2.5 lakh will be given as subsidy. This will encourage the farmer to rear fish fingerlings, the spawn from the production centers will be lifted regularly, more fish spawn will be produced in the fish seed production centers and eventually the fish production will increase.		100	250
8	Fish seed stocking in reservoirs	To enhance the fish production it is intended to stock advanced fish fingerlings in the reservoirs. The fish fingerlings will be purchased from registered fish seed rearing farms at rates fixed by the government		35 reservoirs	200.00
9	PMMSY - Integrated Development and management of Fisheries	Central Government has introduced a flagship programme called PMMSY- Integrated development and management of fisheries to bring about a significant growth in the fisheries sector in the next 5 years. Several programmes have been organized for all round development of fisheries. Under this scheme several programmes have been included for the overall development of the fisheries sector and socio economic	(5a) Responsible governance of tenure; (5b) Sustainable resource management; (6) Social development,	1400	5875.00

SI No	Name of the Scheme	Description	SSF Guidelines	No. of Beneficiaries/ Area	Outlay for 2022-2023 Rs. In lakhs
		development of fishermen. To list a few ; inland fisheries and aquaculture development, development of ornamental and recreational fisheries, adoption of technologies, post-harvest cold chain infrastructure, fish food manufacturing plant, fish markets and sales infrastructure are being encouraged by providing subsidy. Under the said scheme, the unit cost for general category beneficiaries is 40% for women, scheduled caste and scheduled tribe beneficiaries it is 60%.	employment and decent work; (7) Value chains, post-harvest and trade;		
10	Establishment of North Karnataka Inland Fisheries Development centre	North Karnataka has around 1.64 lakh hectare area reservoirs, 42,195 hectare area major tanks and 20,667 hectare area of gram panchayat tanks, rivers and canals that offers vast scope for development of inland fisheries. In this background 'Nija Sharana Ambigara Chowdaiah North Karnataka Fisheries Development Agency (NKFDA)' has been established involving the officers of the department. The main objectives of NKFDA are to formulate local specific programmes for the integrated development of fisheries in North Karnataka and implement the same, to prepare the necessary project report and mobilize funds for the fisheries activities and implement them and to collaborate with fisheries education, research, extension, and development institutes and fishermen organizations to develop fisheries and Aquaculture in North Karnataka.		0.00	0.00
11	Supply of Kerosene to traditional boats	In Karnataka coast many traditional boats are involved in fishing activity and these boats have been installing outboard engines stage by stage and are able to go for fishing too far off from the seashore in short time and have been successful in profitable fisheries. These motorised boats are being supplied with 300 litre kerosene per month per boat at PDS rate by Food, civil supplies and consumer affairs department from many years. However, from 2018-19 the budget allocation is being made in Department of Fisheries. Provision has been made to supply 300 litre kerosene per month per boat at PDS rate. In the coast 4514 traditional fishing boats with permit are provided with 1355 kilo litre			173.00

SI No	Name of the Scheme	Description	SSF Guidelines	No. of Beneficiaries/ Area	Outlay for 2022-2023 Rs. In lakhs
		kerosene at PDS rate			
12	Reimbursement of sales tax on diesel used by fishing boats	Under the scheme, Reimbursement of sales tax on diesel used by fishing boats the amount equivalent to sales tax on the diesel used by mechanized fishing boats as subsidy is reimbursed by transferring it directly to the bank account of the boat owner. Every year 1.50 lakh KL diesel is being supplied. Since, 2021-22, state sales tax exempted diesel is provided to the fisheries boats at pre designated diesel bunks.		0.00	0.00
13	Matsya ashraya Scheme	The State government has taken up Matsya ashraya scheme during 2006-07 to meet the increasing demand for the houses to fishermen. There is a demand for 28,000 houses in the State. Under Matsya Ashraya scheme an assistance of Rs.1.20 lakh, Rs. 1.75 lakh and Rs. 2.00 lakh are given to General, Schedule caste and beneficiaries from urban areas respectively.	(6) Social development, employment and decent work; 6.2	0.00	0.00
14	Supply of Fishery Requisite kits	<p>i. For the safety and welfare of the fishermen the department has a scheme for the distribution of Fibre glass coracle to inland fishermen These fiber glass coracles are not only durable but also very strong and it also helps the fishermen to fish in deeper waters and ensure the safety to the life of fishermen. Under this scheme, a fibreglass coracle and two oars worth Rs.10,000/- is given free of cost to fishermen involved in fishing in the tanks, reservoirs and river stretches of inland areas of the State.</p> <p>ii. Reservoir, riverine and tank fishermen are provided with kits consisting of net, coracle etc worth Rs.10,000/- totally free based on the requirement of the fishermen.</p> <p>iii. To conserve the fish wealth of the sea by preventing the catch of juvenile fish. Towards this end 35 mm square meshed nets in cod end will be distributed free of cost to the fisher folk. Such nets will be provided to 2500 trawl boats at Rs. 10,000 each</p>	5b) Sustainable resource management 5.13	1250	125.00

SI No	Name of the Scheme	Description	SSF Guidelines	No. of Beneficiaries/ Area	Outlay for 2022-2023 Rs. In lakhs
15	Subsidy on electricity used by Ice plants	Under this scheme provision is made to provide subsidy @ Re.1.75 per unit of the electricity consumed by the Ice plants subject to a maximum of Rs.3.50 lakh per ice plant.	(7) Value chains, post-harvest and trade 7.3	186 ice plants	400.00
16	Group Accident Insurance Scheme	Under the Centrally Sponsored Scheme, the men or women fishers in the age group of 18 to 70 years shall be eligible for insurance coverage as below: <ul style="list-style-type: none"> Rs.5.00 lakh against death or permanent total disability Rs. 2.50 lakh against permanent partial disability Rs. 25,000 against accidental hospitalization NFDB is designated as Nodal Agency to implement the insurance scheme. The entire premium amount will be shared between the Center and State as per the funding pattern of the PMMSY. Thus, no beneficiary contribution is envisaged. The scheme is implemented through M/s Oriental Insurance Company Limited (OICL).	(6) Social development, employment and decent work; 6.4, 6.17		12.28
17	CSS Savings-cum-relief scheme for marine fishermen	Under this Scheme, a total amount of Rs.1500 will be collected from each fisherman during fishing period and matching contribution of Rs. 1500 each by the State and Central Governments is given. Rs.4500 thus collected will be distributed during 3 lean months to the beneficiaries equally at Rs. 1500 per month	(6) Social development, employment and decent work; 6.3	24,000	720.00
18	Distress Relief Fund	Distress Relief Fund was started to provide relief to fishermen/their dependents in case of death/permanent disability while fishing. From the Distress Relief Fund compensation of Rs.3,00,000 for death and Rs.100,000 in case of partial disability is provided to fishermen/their dependents in case of death / accident while fishing. Provision of Rs.100,000 has been fixed as relief for loss/damage of boat/net and medical expenses. In case of cases where the fishermen die during fishing due to natural calamity or accident in sea Rs.6.00 lakh is provided as relief to the dependents.	(6) Social development, employment and decent work; 6.7, 6.17	0.00	0.00
19	Reimbursement of differential interest to commercial banks	Provision has been made to reimburse the difference of interest to the Commercial Banks and Regional Rural Banks that will provide loans to fishermen @ 2% interest up to Rs.50,000/- for fisheries activities. Loan being given from commercial/rural regional banks	(6) Social development, employment and decent work; 6.4	13,000	50.00
